

Institute of Biochemistry and Biophysics

Polish Academy of Sciences

Pawińskiego 5a; 02-106 Warszawa; Tel.: +48 22 / 592 21 45; Fax: +48 22 / 592 21 90; e-mail: secretariate@ibb.waw.pl; <http://www.ibb.waw.pl>

Position: Post-doc position in the project: "Identification of epigenetic mechanisms controlling the expression of key tumor suppressors in clear cell renal cell carcinoma"

Post-doc position is available to work on a project within the framework of a scientific grant awarded by the Polpharma Scientific Foundation.

Number of positions: 1

Institution: Institute of Biochemistry and Biophysics, Polish Academy of Sciences, Warsaw

Maximum period of position agreement: 35 months

Position starts on: 01 February 2019

Salary (employment) amount: 2 700 PLN/ month (brutto) + one additional gratifications equivalent to one month salary twice during the whole project duration

The project:

The project aims to understand the epigenetic mechanisms controlling the expression of genes encoding subunits of SWI/SNF ATP-dependent chromatin remodelling complexes which are affected in clear cell renal cell carcinoma.

Profile of candidates:

- PhD degree in life science discipline
- scientific achievements including publications in recognized international scientific journals most preferable related to **clear cell renal cell carcinoma and/or chromatin status control**
- independent thinking in experiment designing
- high capability in managing parallelly several projects
- willingness to collaborate with other scientists and foreign laboratories
- good written and verbal English

Required documents:

1. Motivation letter addressed to the Director of the Institute of Biochemistry and Biophysics PAS.
2. CV containing description of scientific achievements and publication list.
3. A copy of the PhD degree certificate.

Application in English should be sent to Dr. hab. Tomasz Sarnowski <tsarn@ibb.waw.pl>. Please include the required documentation and a contact of at least one potential reference.

Important: all applications must contain the following statement to allow us process your data: "I hereby give my consent for the processing of my personal data by the Institute of Biochemistry and Biophysics PAS with its seat in Warsaw Pawińskiego 5a, 02-106 hereinafter referred to as the Institute for the purpose of the recruitment process and for future recruitment processes conducted by the Institute under Art. 23 ust. 1 pkt 1 of the Personal Data Protection Act dated on 29 August 1997, consolidated text: Journal of Laws 2016, item 922 with further amendments and under Art. 6 ust. 1 lit. a of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such GDPR (Dz. U. UE. L. z 2016 r. Nr 119.)."

Principal Investigator: Dr. hab. Tomasz Sarnowski, Associate Professor

Address for applications: tsarn@ibb.waw.pl The granting institution may seek to contact the best candidates only, which will be selected for an interview.

Closing date: 15.01.2018
