INSTITUTION: Institute of Biochemistry and Biophysics PAS

CITY: Warszawa

POSITION: Research Assistant with a Ph.D. diploma

SCIENTIFIC DISCIPLINE: Biophysics

ANNOUNCEMENT DATE: 23.01.2017

APPLICATION DEADLINE: 30.01.2017

LINK TO THE WEBSITE: www.ibb.waw.pl/pl/praca

KEYWORDS: mass spectrometry, HDX-MS, proteomics, protein biophysics

DESCRIPTION (subject area, requirements, remarks):

Requirements:

- Ph.D. in Biophysics
- scientific achievements including publications in recognized international scientific journals
- at least 5 years' experience in the field of protein and peptide mass spectrometry.
- experience in Protein expression and purification, structural studies of proteins using Hydrogen–deuterium exchange Mass Spectrometry (HDX–MS), Circular Dichroism Spectroscopy, Analytical Ultracentrifugation, Size Exclusion Chromatography and other biophysical characterization methods for proteins.
- basic programming skills
- good English communication skills

Applicants should provide the following documents on e-mail address m.glowacka@ibb.waw.pl: curriculum vitae incl. a list of publications and expertise, a motivation letter, a copy of Ph.D. diploma or certification of Ph.D. graduation, a reference letter
